Alessandro De Stefano MD, PhD, FAINOT
Otolaryngology, Otology and Neurotology - Speech Disorders
Audiology and Speech Disorders Unit
Dept. of Rehabilitation
Azienda Sanitaria Locale Lecce
Piazza Bottazzi, 73100, Lecce, Italy

Respected Professor Alessandro

This is to seek your kind participation as a faculty for a COURSE ON VESTIBULAR DISORDERS that the undersigned will be conducting on behalf of some professional medical organisations, enumerated below. Your esteemed participation will enhance the credibility and sanctity of this ambitious project of ours. Hence this plea.

You will be able to deliver the lecture for this web based course from the comfort of your home or clinic. We will require you to deliver at least one (if possible two) lecture(s) of 50 minutes each on your convenient dates on any Tuesday or Saturday from 1st October 2020 to 31st January 2021. This will be a free course limited to medical specialists in ENT, neurology, neurotology, general medicine. The participants will be doctors practising / interested in NEUROTOLOGY and managing patients suffering from vestibular disorders. The course will be free of any monetary charges for all participants from any part of the world who will be registered beforehand. Those completing the course and qualifying in a test held every month will be awarded a certificate validated by the different national and International professional organisations who are endorsing the course and on behalf of whom the course will be conducted. All faculty members will be persons of international repute in Neurotology like you.

You will be required to please give us 3-5 topics of your choice from where we will select 1-2 such that there is no overlapping with that of other faculty members. Along with it please send us a picture and a brief biodata of yours from which the e-brochure will be prepared. After the topics are finalised, we will ask you to send us ten multiple choice questions and a small list of reading material on the topic that you will be delivering on. A very early confirmation from your side will be appreciated.

Looking forward for an affirmative response
With regards

Drs. Anirban Biswas (neurotologist) and Sudhir Kothari (neurologist)

Endorsing organisations till date:-

- 1) Association of Otolaryngologists of India, AOI (headquartered in Mumbai, India)
- 2) International Neurological and Equilibriometric Society NES, (headquartered in Budapest Hungary)
- 3) Indian Academy of Neurology, IAN
- 4) International Vestibular Society (headquartered in Ankara, Turkey)
- 5) Other organisations to whom we have applied but are waiting for a response
